**Re: Zone Telecom, Inc. and The Furst Group, Inc. -
Notification of Assignment of Selected Assets**

Dear Sir/Madam:

This letter serves to inform you of the proposed assignment of selected assets and contractual arrangements, including customers, from The Furst Group, Inc. ("TFG"), an authorized provider of interexchange telecommunications service in Arizona, to Zone Telecom, Inc. ("Zone"). Zone is a Delaware corporation located at 279 Harvard Avenue, Suite 21, Cambridge, MA 02139.

Zone has pending before this Commission an application for a certificate of convenience and necessity to provide competitive intrastate telecommunications services as an interexchange reseller in the State of Arizona. The proposed assignment of TFG's customers in Arizona to Zone will not occur unless and until this Commission has issued to Zone such certificate.

Based on our review of Arizona law and regulations and discussions with staff, we are aware that the State of Arizona does not require prior Commission review of this type of transaction. Nevertheless, we are filing this letter as a courtesy to the extent it may assist you in maintaining any records with regard to telecommunications services and providers.

Specifically, we understand that, although physical assets located *outside of Arizona* will be assigned from TFG to Zone, approval of the Commission under Arizona Revised Statutes § 40-285 is not required here because TFG does not own any assets in Arizona, and Zone does not and will not as a result of this transaction own any assets in Arizona. Only Arizona customers, not Arizona physical assets, will be transferred as part of this transaction.

Kindly date-stamp the additional copy of this letter and return it to me in the enclosed postage prepaid envelope. Any questions concerning this submission should be addressed to the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'M. G. Repp', is written over a horizontal line.
